My name is Yvette Tavitian, I am a fulltime agent in Las Vegas that currently works primarily with buyers. I am on a team with 8 other fulltime buyers agents. We have an outstanding website that I think will benefit REO properties in getting sold much quicker. Please visit our website at [www.mslasvegasrealestate.com](http://www.mslasvegasrealestate.com) or simply type "las vegas real estate" in google.com and we are the fourth click down. Our website pulls in hundreds of highly qualified buyer leads daily.

My team ranks #14 companywide at Prucential Americana Group, REALTORS and above us are of course REO listing agents, we rank #9 in our office. What I am trying to say is that hiring me to service your REO properties would be a good thing not to mention the fact that I am an extremely hard worker that will do everything in my power to make your job easier and more productive. Please email me at [yvette@buylasvegasreos.com](mailto:yvette@buylasvegasreos.com) to start our business relationship. I look forward to hearing from you soon.

Sincerely,  
Yvette Tavitian, ABR, NVSI, NSFTI
